WHEN TRUMP WINS, WE ALL WIN!

- March 4, 2024 -

My fellow Americans, the 2024 presidential election is going to be YUGE! The future of America is at stake, so why not stake your claim to the weekly **\$POTUS** airdrop scheme and make this election year the most exciting and rewarding one ever!

Join me for the ultimate Republican 'party' as I share my success and wealth with loyal **\$POTUS** supporters every time I win a primary!

From 'Super Tuesday' onwards **\$POTUS** will reward **47** lucky token holders for every primary won. I have set aside the republican party fund consisting of 30% of total supply and I promise that all of this will be used entirely on the mega prize giveaway bonanza. It's so huge that my congressman have had to implement a 1% tax just to be able to afford the gas fees to keep this money train going!

Every other Trump project is fake news and this generous presidential pledge ain't no conspiracy or big lie! My secretary of stake will be using an RNG (Random Number Generator) to select the winners and they will receive their reward in **\$POTUS** tokens, which will be payable at the end of each primary voting week.
